Best to start with Scripture, for **true knowledge and understanding:** II Corinthians 10:3-5, and do say a Prayer for Godly wisdom. Ironically this article is being written on Independence Day, July 4, 2007. I have a dream, too! Dr. Martin Luther King! That one day we will celebrate independence from the NEA's, AAUP's, ACLU's, and PPFAs dangerous interference, influence and intrusion into our lives and Nation. They've chipped away the mortar of our foundation in our Nation but we have been awakened, and are starting to replace it with the originally intended mortar of our Founding Fathers. And we will do it to completion! With God's help!

We must ask ourselves: How much further down the road of insane corruption will we allow **them** to take our children and us with their decadent teachings and work? If we don't act soon, there will be no route of return to sane morality for us, our Nation and for our posterity. Since the sources I use can convey information regarding these important topics better than I, I will let them do it, while making my comments along the way.

Quoted from: *Opinion Journal: from The Wall Street Journal Editorial Page, Tuesday, June 19, 2007:* "...Roe

did substantially increase abortions, more than doubling the rate per live birth in the five years from 1972 to 1977. **But many other changes occurred at the same time:**

- A sharp **increase** in **pre-marital sex.** (*hmm—produced by the sex education?*)
- A sharp **rise** in **out-of-wedlock births.** (*hmm—produced by the sex education?*)
- A **drop** in the number of **children placed for adoption.** (*kids dropping out of school to become promiscuous parents—children raising children—some on the streets.*)
- A **decline** in **marriages** that occur after the woman (*child*) is pregnant. (The boys feel no responsibility as the *responsible girl is expected to have and will be guided to an abortion. And besides, it was just sex—not love.*) (all () expressions mine)

Continuing: Some of this might seem contradictory. **Why would both the number of abortions and out-of-wedlock births go up?** If there were more illegitimate births, why were fewer children available for adoption? **Part of the answer lies in attitudes to premarital sex.** Many academic studies have shown that legalized abortion, by encouraging premarital sex,

increased the number of unplanned births, even outweighing the reduction in unplanned births due to abortion.” (Emphasis mine) We’ll leave the Wall Street Journal quote now.

The question begging to be *loudly* asked and answered in the *open*: *What has been the hidden cause, and continues to cause the increase in pre-marital sex?* PPFAs AND the NEA encouraging pre-marital sex, are hitting our children with a double whammy—*below the belt*—no pun intended—and absolutely true.

Primary Reason: Research reveals the Public School Sex Education curriculum, disguised as *health* classes, **SHARPLY** increases the immoral sexual behaviors leading to pregnancy of our young teen girls (and boys). It numbs their innocent, vulnerable minds because they are (co-educationally) taught that “*since they would be engaging in sex they should use condoms.*” This **powerful** message of **suggestive encouragement** rings LOUD and CLEAR in the ears and minds of

our poor unsuspecting young students. It registers in their minds as: “*Since I’ll be engaging in sex, I need to be responsible and use condoms.*” They’ve been sold a “false” responsibility for promiscuous behavior condoned and taught by the subservient teachers of the NEA. Our children do not want to tell Mom and Dad about this—creating the burden of a ton of guilt for them to carry. The STDs that will be transmitted between our young are not a part of their sex “education,” nor are the complications that can occur during an abortion, including possible death, which most pregnant girls will be forced “to choose,” with a whole lot of help from the School Counselor/Clinic. Again, of course, if pregnancy occurs, the schools can “counsel” and connect the pregnant teen with a free abortion (free to them—however, but not to the taxpayer—us). This can take place unbeknownst to the Parents—though to give the “child” an aspirin would take notification and permission of the Parent. Likewise, **Drug Usage** “*Education*” *subliminally encourages usage of drugs, e.g., “Best not to use, but If you use, be sure to use sensibly, with clean needles, etc., to the extent that, socialistically, we should have laws to provide free clean needles”* Any intelligent, reasoning, Parent should be able to see the incompatibility of this rationale. Truly, it is paradoxical teaching in an educational (public school) setting. And none of this teaching belongs in any school arena. It is NOT the public schools’ business to take over the responsibility of the Parents. Add to the above, the fact that they consider Atheism as the only option for our children, and teach it in a hidden way. This rules out any “right or wrong” connection to premarital sex. The NEA has talked the Parents into believing we **need** them to do this! **WE DON’T! AND WE DON’T WANT THEM TO ANY LONGER! AND WE MUST FORCE THEM TO STOP THIS NEFARIOUS CURRICULUM! WE MUST REFUSE TO LET IT CONTINUE!**

Secondary Reason: *Following suit, and as a result of,* the primary reason, which demoralized, desensitized, depressed and promoted promiscuous behavior in our students for the past 35 years, (now become adults), ruining their young AND adult lives with liberal “freedom” ideas regarding sex (not love!), caused their desires for X-rated movies and television—further escapisms from “reality” and excuses their sinking lower and lower into their sad circumstances. These industries cater to their “now need,” similarly as does the **Planned Parenthood Federation** business of murder of our future boys and girls. In the Liberal mind, sexual promiscuity, **including Homosexuality (now taught K-12)** has been made a legal right and taught to our children as “freedoms.” These are blatant nefarious lies!

According to a letter from Rev. Lou Sheldon, Traditional Values Coalition: “There is a Father who landed in jail (David Parker, Lexington MA—a hotbed area, ground zero, of the homosexual activists going after our kids big time) because he was unaware of a social experiment concocted by GLSEN (Gay Lesbian Straight Education Network) (consorting with the hubristic NEA—mine) to indoctrinate public school children from the day they step into **Kindergarten!**”

Continuing: “They must be taught that homosexuality is fine and homosexual families are just wonderful. David was locked up in jail and banned from stepping foot onto school property—even to vote!” (Right here in America!) “David simply wanted to exercise his legal right to remove his son Jacob from the class when homosexual issues were discussed.”

After indicating the school district would obey State law, the Superintendent had local police arrest David for trespassing—even though the principal invited him to come! He wasn’t even allowed to call an attorney and in court the next day he was informed

he could never step foot on school property without first getting permission—which he knew they’d never give him. As a result, 5-year-old Jacob was grabbed by a crowd of students during recess, dragged behind the building, then beaten. (Obviously, blatant intolerance! for anything other than the liberal agenda.) The school is still arrogantly refusing to notify Jacob’s parents when discussing homosexuality issues with their son. They claim “gay marriage” is legal in MA and they will teach young Jacob about homosexual families and issues whenever they want. This is what they believe every elementary classroom needs to have: 1) Posters on the walls depicting homosexual families; 2) More books exposing children to homosexuality; 3) Teacher initiated discussions to lead children into **ACCEPTING** homosexuality.”

According to Rev. Sheldon’s letter: “The school got around the Parental Notification Legal Right by stating that Parent’s can be notified regarding Sex Education, but that since **Homosexuality was not “Sex Education,”** the Parental Right to Notification does not exist!! Rev. Sheldon included a Petition to our MI Representative Fred Upton that we could sign, that these classes on homosexual behavior and marriage being taught before our children can even read, were also in the Gay Straight Alliance clubs on school campuses—recruiting in more than 2000 schools now—are nothing but recruitment efforts sucking our kids into the sick and perverted lifestyles. In the petition we are asking that parents be provided the opportunity to opt their own children out of such clubs/classes.” (But don’t we HAVE to be concerned and take responsible action for ALL children in this regard? And remove these classes altogether? These are the types of petitions we

must start (or) never miss the opportunity to sign!) Please support his efforts: Traditional Values Coalition, P.O. Box 131808, Houston TX 77219-1808.

I just learned the Maryland State Board of Education has informed Parents that they supercede the Parents’ will in how they want their children educated, and the **State** will educate the children the way that they wish to educate them. This had to do with the incredibly awful, deeply in-depth, homosexual and sex education classes dictated by NEA, K-12. Ladies and Gentlemen, they claim that MD will be a leader-State-pattern for the rest of the States! We certainly are in deep trouble.

(I must insert here that at NEA’s Annual Convention in June 2006, they **mandated** that our children **MUST** be taught to **ACCEPT**, it is not just enough to **TOLERATE**, the homosexual agenda(s), which are many and very far reaching, beginning with **Kinderergarten**, before they can even read! NEA has increasingly demanded we teach “feeling” and “imagination” instead of “thought”—logical, factual, critical thinking—one example is the Harry Potter’s witchcraft series given extensive exposure and encouragement in public school libraries)

This does not even take into account the fact that Parents, who trustingly send their choicest possessions to public schools, are unsuspecting of the Humanist Socialist Religion indoctrination and propaganda that has been/is being fed daily to their precious young, too, until it’s too late, and the damage has been done. I have watched for DECADES as 50% of our young students (OUR children) in humanist public schools, (sometimes I think they should be renamed the Pubic Schools), drop out and never can readjust to normalcy in our society. This is the result of teaching the false Humanist Religion in their “Sunday” schools, only every day of the week.

Evansville, IN, August 25th
Olathe, KS, September 7th & 8th

For those that understand the times, you know the urgency of the hour we live in. We are indeed but a heartbeat away from standing before Jesus who will judge us on whether we will be with Him for eternity or if we will be in Hell for eternity. This is absolute Truth and does not depend on what you believe. We have been blessed with a group of warriors that lead in their work for Christ, with love and forgiveness, but stand very firmly in the Truth. Which brings into focus the saying, **“The Truth is Hate, to those that Hate the Truth.”** Think about the fact that you or a loved one may be dead by morning, and since you know that it is possible, what are you doing to allow Jesus to use you as

a vessel to bring them closer to Jesus and help them to stand in His presence for eternity.

One thing that you can do is to invite them to come with you, or to go to a *Shake The Nation Conference* coming up in **Springfield, Missouri** on the evening of **Friday, August 24, and Saturday, August 25**. We will have a group of men that truly do understand the times, the history, and the primary source evidence behind agenda's, that will negatively affect your children into eternity. Also, there will be a *Shake the Nation* in **Evansville Indiana on Saturday, August 25th** and if you have someone close to this one, please let us know. Coach Dave, Pastor Mark, and I will also be at another *Conference in Olathe, Kansas on Sept. 7 & 8*. Please pray for us and also come or get your friends or family to come. You will be able to get details

on all three of these conferences by calling 417-754-8774 or 417-818-0143, so come and invite your friends and family that are close to either of these areas. The men that will speak at this conference are on a watch list in heaven and in the world. In heaven, the Lord is smiling about these men waking up His children with information that is harmful to souls, and in the world, those that are in sin or causing sin feel very uncomfortable because of the light they shine on the evil that is happening in our country. Also, ask how you can become part of the S.W.A.T. Team (Spiritual Warfare Action Tactics) to network with others across the country and use the talents that God has given you for His Kingdom.

As usual, Satan is working at this moment to give you a reason not to support the work that many are doing across this country because of the Grace of God in their lives. Help the actions by being a part physically at every opportunity, by bringing others, by having a willingness to let Jesus use you to touch others, and by financially supporting our work across the country, to be some of the few that obey His

words to "Go Ye", instead of come hear rhetoric inside the walls of a church as a salt with no savor, which is good for nothing, a pretend salt that causes the church to rot. Stop right here and pray for the Church of Jesus, that we do things His ways, rather than man's ways. Stop again, to pray for the many pastors that are blind, that their eyes may be opened, and that they are aware by the Holy Spirit of the warning for Shepherds in Ezekial 34, for those that are not truly caring for HIS sheep.

When you stand and put Jesus first, He will honor your work. We must do that with personal repentance and a heart prepared to obey, for this pleases our Savior. Always do works of mercy for the poor, hungry, and naked, but do the most important work affecting souls by stepping out of your comfort zone to address those issues which are causing the children to step away from their faith and be at risk of Hell for eternity, while not neglecting the works of mercy that are put into your path. I send my love and prayers in Christ to each of you and your families, Dr. Gregory Thompson.
