Learn not the ways of the heathen

Jeremiah 10:2

May the Holy Spirit open your eyes and ears to God's Word and may I not give you any words of myself that do not come from our Lord and Savior. Those that are His children, hear His word, and know it is required of you to be like Jesus, kneel down and pray, and then get up and act. Your children, your grandchildren, the posterity of this nation cries out for HIS children to stand. . If you are interested in standing in harms way for the children, please set aside the 23th and 24th of August to be with those He has sent. We will be handing out information that can help parents, grandparents and neighbors protect the children from the indoctrination of government schools that is against God, family, and country. The children's souls are at risk for eternity.

With great sadness, those that call themselves Christians have made all kinds of excuses not to follow the command of Jesus (remember He is the Son of God), *"All power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you; and, to, I am with you always, even unto the end of the world."* Amen. Matthew 28:18-20

Pray right now, then call and ask how you can be standing for His children on August 23, 24, and 25. Christians, brothers and sisters of my Lord, you put your children in harms way when you send them to government schools, trust Jesus as He speaks through eyewitnesses with His inspired Word. *"Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? And what communion hath light with darkness? And, what concord hath Christ with Be'-li-al? Or what part hath he that believeth with an infidel? And what*

agreement hath the temple of God with idols? For ye are the temple of the living God; As God has said, I will dwell in them, and walk in them and I will be their God, and they shall be my people. Wherefore come out from among them and be ye separate." II Cor. 7:14-17

Traitors walk amongst us, and some of them are in control of the education of our children, and they control and indoctrinate the Christian teachers that teach our children, and control what goes into the textbooks, and control what is in the curriculum. . God gave the children to the parents to train, and it is first given to the fathers to protect them as they teach them all day long in all ways and in all things about God. The parents looked to the Church for help, but maintained control of the teaching to make sure it was God centered with the Bible, but then good people were fooled with lies that the government should take over the teaching of the children, and after hundreds of years to the contrary, parents were lulled into believing it was OK as long as the Scriptures were taught with any knowledge received. Then slowly man started believing he was smarter than God and turned his back on God in the instruction of our young. Now the goal of education is not knowledge, but the humanizing of students in a national secular humanism religion that permeates every part of the curriculum so that with this social engineering the children will kneel to the state instead of to God, and yet is has gone farther than that, to indoctrinate them to kneel and believe in a One World Government with all its perversions, that is not of God. Give us a call at 417-754-8774.

John 3:19-20 *"And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil ha-*

teth the light, neither cometh to the light, lest his deeds should be re-proved."

Love and Prayers, Gregory

Doers of the Word Church

Pastor Joe Larson held his 1st service in the new **Doers of the Word Church**, Sunday, August 12, 2007. The new church is located outside of Humansville, in Cedar County, at 5666 S. 2301 Rd. Bible study begins at 10 AM every Sunday morning and the service starts at 11 AM. Pastor Joe stated, "Why did I name this church *Doers of the Word*? Because Jesus asks ALL of us in Luke 6:46 ' and *why call ye me, Lord, Lord, and do not the things which I say?*' We are warned in James 1:22 ' but *be ye doers of the word, and not hearers only deceiving your own selves.*' God demands that we fear Him, love Him, worship Him and obey Him. In this church, God's word, the Bible, will lead us in all things; and we will follow the example of the brethren of the Church of Philadelphia whom our Lord called the angel of the church [Rev 3:7]." The members will help select music, decide on times for study, participate in teaching and Bible study, visitation and helping build up the church as all of us make up the body, which is the church of Jesus

Christ. Pastor Joe will also conduct classes on Christian World view. He states, "Soldiers have an old adage, 'know your enemy.' Satan has his army, his disciples and minions, and if we, the church - the body of Christ - do not know who the enemy truly is, then how can we fight and be victorious. We are told in Col 2:8, 'Be ware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ.' This is clarified in Mark 13:5, ' And Jesus answering them begin to say, Take heed lest any man deceive you.'"

You are invited to attend on Sunday. We have potluck every Sunday after the service. Each family is to bring one dish, anything you wish. The church will furnish the meat & drinks. The tradition of supping together after church has always been a long time favorite. We are located approx, 4 1/2 miles from Hwy 13. Take "N" west, approximately 4 miles to 2301 Rd and turn north. (2301 Rd is 1 mile west from the Polk/Cedar County line. We are .8 mile on left side. You will see the

temporary signs. The church is in the back. Call 754-1283 or 754-8774 for further information."

(Planned Parenthood Federation of American; National Education Association Teacher's Union; American Association of University Professors; American Civil Liberties Union; plus other Leftist Organizations)

Recently I watched and listened to Lou Dobbs at the National Press Club luncheon and I loved his comment: "I recall mention of an email that was circulating the internet that asks *if* we call illegal aliens "undocumented workers" or "undocumented immigrants," *perhaps* we should call drug dealers "unlicensed pharmacists." Let me take that comparison one step further. Perhaps we should call our teachers "Socialist Propagandists" or "Humanist Atheist Religion" teachers since both elements are now core-curriculum in each subject—these titles would be a whole lot more **Honest!!!** A word the NEA and PPFA don't seem to know or understand the meaning of. I mustn't leave out the mantras of "hate America" and "environmentalism/global warming alarm/evolution *theories as segments of that religion*. I would certainly be remiss to omit mentioning the lying

done with falsely revised History and Geography subjects. The NEA and its Public School Teachers, under the NEA's direct COMMAND, the PPFA, the ACLU, and our "entertainment" industry, plus other leftist organizations are hitting **all of US** below the belt, and demolishing the foundations of our God-given culture and Nation. To produce Socialism/Communism in a country, the masses must be: 1) dumbed-down; 2) God removed; and 3) amoralized to the extent of losing control of one's self, produced by the capture of the children's minds in school (as e.g., suicide bombers, Nazism, Socialism/Communism = having to be taken care of by the State with absolute control of our lives) = Public

School education = Socialism. We are *all* then owned by the State, not as Godly individuals, but as Socialist Global Citizens. What's Hillary's philosophy once again? "It takes a Village/State to raise a child!" NO! It takes PARENTS to raise THEIR child.

What these pushers of Socialism do not understand is that they are considered "Useful Idiots" by the very people they are serving, and that they will be the first "to go" when Socialist Dictators are in charge.

There is no doubt, folks, that the National Education Association Teachers' Union and the Public School Teachers have become *guilty of malfeasance* (impropriety of a public servant). The colloquialism "Catch them if you can" is appropriate and is something we citizens, if we truly desire to save our Nation, must act and perform this, ourselves. Right Now! They must know they have been caught at their antics—and punished—*by removing our children from their grasp AND INSISTING ON SCHOOL VOUCHERS!!!* The Schools are sick and rotting from within and our children have been indoctrinated with their *toxic venom*. Most assuredly we, as a collective people acting as individuals, *acting quickly*, as we did in stalling the Comprehensive Immigration Bill (the Liberals say they'll bring it back after 2008—they are relentless in their pursuit of Socialism for our country!!) we must *decisively storm* our elected representatives phones and emails and faxes, and *DEMAND SCHOOL VOUCHERS. THE FUTURES OF OUR INDIVIDUAL CHILDREN AND OUR NATION DEPEND ON AND DEMAND IT!*

Further, we really should be examining what gives *them* the right to re-program our children away from their con-

servative values taught at home, into the liberal atheist socialist ideologies as stated above. We also must examine our own consciences and ask ourselves, "Why aren't we stopping them?"

A couple of decades ago I used to think: That's ok., they'll abort their own (though sad) and their abortion mentality will then fade out. FOLKS, OUR CHILDREN HAVE BEEN STOLEN! THEY CAN CONTINUE TO PUSH THE ABORTION IDEOLOGY AND ABORT THEIR OWN—BECAUSE THEY JUST SIMPLY STEAL OURS IN THE CLASSROOMS ACROSS AMERICA. Surprisingly, I am asked over and over, "What has happened to my child—he is now a Liberal and votes as such—and we never raised him/her that way?" These parents truly are confused and disappointed AND ignorant of this "planned" outcome by the *Curriculum Dictator: The National Education Association with the dedicated help of their legal co-conspirator the ACLU.* Intellectual *honesty* no longer exists. This teachers' union's primary goals are to:

1) **Eliminate God from the classroom and the Nation** (done! In the classrooms—and are doing! In the Nation)—(but now the war has begun regarding the *myth/lie* of the "separation of church and state" having been uncovered by dedicated servants, they now have a battle on their hands because Parents have become aware and very angry about this deception—and much to NEA's and ACLU's and PPFA's chagrin, we're winning court cases brought by brave, dedicated, generous and highly moral Parents.);

2) **Subversively insert intense brainwashing of Socialism:** the *theory* of Evolution (*disguised Atheism*) along with the *Religions of Environmentalism and Humanism and Global Warming*, and *Liberalism/Progressivism*, plus *Universal Healthcare*, as core curriculum in every subject (*Socialism disguised in these lying titles*,

Produced by Gradualism / Incrementalism--their method of indoctrination and brainwashing slowly—their slogan being: "Move swiftly forward, slowly—gradually"—you have to give them credit here—they are very patient and focused on their goal);

3) **Dumb-down the God-given intelligence in the child,** concentrating on the middle-to-low-income families to the "drop-out" stage, ensuring their dependence on the State's Welfare rolls, (and) convincing the young minds of the rest of our children with all the "garbage" of the above 4) **Demoralize and Desensitize and Depress as many children as possible** into immoral lifestyles via the "Sex Health Classes" and "Drug" Education Classes—You know, the "How-To" classes. And now we have the many Homosexual Agenda(s) which the *majority* of the American people find not only *sinful, unnatural and degrading*, but incredibly *physically and psychologically unhealthy*--perverted; lifestyles forced on our children—and as a result, on us. Folks, remember, let this sink in! I have an incredibly long list of all the agendas associated under the "homosexual" lifestyle that reads as a pornography list. Is it also taught that most child molesters and predators are homosexuals? This perverted lifestyle is *mandated* by NEA to be taught to **K-12** public school students who are OUR children! As more children are "led" into the unhealthy homosexual lifestyle, which they will be, are they also taught that research shows they will die 20 years earlier than their heterosexual peers—from very painful diseases? Research also shows that this lifestyle produces many, many psychological illnesses. Do we want this for our children?

I know that it is hard for some to believe that all of the above has happened over the past 35+ years of public—oops!—public school indoctrination—which no longer can be legitimately called an "educational" system—but it

has happened! **It can no longer be permitted to continue.** Education by this **public** institution (**financed by US**) has become dangerously, meaninglessly worthless, since taken over by the NEA, as far as preparing a massive number of children to live in an adult world. This is known as Socialist Gradualism and Brainwashing/Indoctrination—it is how all Third World Nations have been founded in Socialism, resulting in their extremely poor Third World sub-standard living conditions—by taking over the education of the children—and **here WE are now.** All of the above steps were incrementally, slowly, deceitfully implemented in our Public Schools' curriculum by the NEA and backed by the ACLU, plus. If anyone argues this point, simply refer them to the deplorable condition of so many of our drop-out-from-school-and-life, homeless or jailed or drugged or psychologically or physically sick, State-dependent citizens. It is absolutely unspeakable—no words can define—the “subjective meaningless condition” of the state of the “lost” souls' minds—and this in America—due to what we have allowed the Public School Classrooms to become. We neglected to be watchful for the past **four decades** and that is a real **SHAME ON US!** Someone must speak out for those that are lost and try to rescue as many as we can. We have a responsibility to prevent the continuing of this force-fed, farce-of-an-educational-system, because the future of our posterity and also our future depends on us to do it. **We either care—or we don't. We're long overdue for action!**

With all the above garbage being pushed at our children daily, 6.5 hours each and every day, when is there time in the school hours to teach the basic necessities of a successful life—e.g., Reading, Writing (and all that it pertains to),

and Arithmetic (all levels of Math)?—which Parents mistakenly thought the Public Schools were doing

—until the research showed that Internationally we are among the very lowest scored students in the world. By this time, generations were lost to us—but gained to back the Liberal Socialists in our country. Yet we spend the most money per child than any other Nation on earth.—and tenured teachers are paid extremely well. Previously, before NEA started DICTATING the curriculum, when per student costs were lower and there were more students per class, we had the highest scoring students in the world. Children become utterly confused when “meaningless-to-them-at-their-age-levels” ambiguous classes of indoctrination are relentlessly forced on them. They have no desire and are incapable of learning this at their age, except by memorization of repeated mantras, and they become numb to learning, leaving them very discouraged and depressed. Believer it or not, this is what the Socialists want—a main goal of theirs.

Little concrete knowledge of value is taught our children. They focus out and concentrate on the “sex and drug” education (educated in supposedly “safe” sex and “safe” drug behaviors) that make sense to them and demand their full attention—hence so much experimentation at younger and younger ages. Of course, the Evolution-from-animals theory condones and excuses the “base instincts” of their desires, plus the false Evolution and Environmental Religion (godless) indoctrination depresses them—because in their hearts they KNOW they are not animals. Most children have been taught at home that they were created by God. Can you even imagine the confusing pressure they are under trying to maintain what their Parents have taught them while trying to assimilate with the Evolution Theory (not fact!) of coming from monkeys? But they'd better learn Evolution well—because they'll be tested

on it. If the child states that they don't agree with it, they are humiliated in front of their peers! More stress for them. Of course, they are allowed to question, belittle or berate any conservative idea. I think to myself, if I was forced to learn all the above as an **adult**, having all my ideals berated, I do believe I would become promiscuous and drug-addicted, too, or at the least be forced to drop out, to escape the emotional pain. We certainly expect our children to face incredible odds of turning out decently, and continue believing as we've taught them to believe, while making them attend these Public Schools, that have become very toxic. Just imagine for one moment what it must be like for our children every single day at public school.

I like puzzles! Now let's put some puzzle pieces together. People who are dependent on the State to care for them (includes single teen parents and their children, drop-outs, drug-addicted, promiscuous, people, some having very bad diseases because of their lifestyles) AND people who have been **liberally** **socialistically** programmed/brainwashed, who have attended public K-12, and public Universities to boot, usually vote--how? Remember, they have been manipulated into a mind-set that tells them they **need** the State/Federal governments to take care of their every need. The mantra we hear lately as reported by the liberal media is: ***The Liberals didn't win the 2006 elections—the Conservatives lost it! Don't you believe it for one minute. Our children, products of the public school system, are now VOTERS—***

PROGRAMMED/BRAINWASHED VOTERS! HONEST TO GOODNESS FRUITS OF THEIR LABOR! *That's precisely how we lost it. And we have the most critical elections coming up in 2008! What do YOU think will happen? The writing is on the wall—and we're not King Nebuchadnezzar—and we don't need Daniel to interpret this bad dream!*
